Notice Concerning Organizational Change at the Asset Management Company

Kenedix Residential Next Investment Corporation (“the Investment Corporation”) has announced today, that the Board of Directors of Kenedix Real Estate Fund Management, Inc. (“the Asset Management Company”), the asset management company for the Investment Corporation, decided an organizational change at the Asset Management Company. Details are as follows.

1. Detail of Organizational Change

The Asset Management Company decided that, on November 1, 2021, it will integrate the Asset Investment Division or the investment teams in the Investment Management Division and the Planning Division at each of REIT Departments of the Asset Management Company, which have jurisdiction over the Investment Corporation, Kenedix Residential Next Investment Corporation (“KDR”), Kenedix Private Investment Corporation (“KPI”) and Kenedix Retail REIT Corporation (“KRR”) (collectively, “the Investment Corporations” as appropriate), from which the Asset Management Company is entrusted with asset management business, into the Acquisition Department and the Strategic Planning Department, which are common to the REIT Departments, respectively, and to newly create Sustainability Office in the Strategic Planning Department and newly create Sustainability Committee, which is common to the Departments, as an advisory organ regarding matters relating to sustainability and ESG of the Asset Management Company and the Investment Corporations, for the purpose of enhancing approaches to sustainability (“the Organizational Change”).

There will be no change in the compliance and internal audit system of the Investment Corporation.

2. Reason for the Organizational Change

In order to achieve further growth of the Investment Corporation, the Asset Management Company will integrate the Asset Investment Division or the investment teams in the Investment Management Division and the Planning Division at each of the REIT Departments, into the Acquisition Department and the Strategic Planning Department, which are common to the REIT Departments, respectively, for the purpose of promoting effective human resource development and allocation and increasing the efficiency of the overall business structure of the Asset Management Company.

In addition, in order to build a system that can respond more effectively and efficiently to increasingly important ESG and sustainability issues through cross-organizational efforts by the Asset Management Company, the Asset Management Company will newly create Sustainability Office in the Strategic Planning Department and newly create Sustainability Committee, which are common to the Departments and chaired by the President and Representative Director of the Asset Management Company, as an advisory organ regarding matters relating to sustainability and ESG of the Investment Corporation and the Asset Management Company.

We aim to enhance our business management system further by the Organizational Change.
